To whom it may concern,

I have had the privilege of knowing Olivia Pellerin, serving as her golf coach, for the past two years. While she works hard outside of the classroom, she is also a dedicated student. I have not had the pleasure of teaching her in the classroom; however, her teachers throughout the years have nothing but great things to say about her.

Olivia stands out in her extracurriculars. Olivia has passionately been a part of Youth in Government, Beta Club, Be a Fan, Student Council, and Sandlapper. Olivia is the first to volunteer for various events and to lend a helping hand whenever needed. Olivia volunteers at Holly Tree County Club youth camps and she teaches ice skating at the Pavilion.

Olivia has also been a part of the Mauldin High School Lady MAVS Golf Team for two years. Throughout those three years, Olivia has been a leader to not only her teammates, but to her coaches as well. Olivia stepped up during my first year of coaching golf and was a vital resource throughout the season. As a part of our Varsity Team, Olivia helped lead the Lady MAVS to the State Championship for the first time in three years during our 2019 season. During our 2020 season, Olivia qualified for State as an individual and finished 18th overall. Olivia is a great asset to our golf team. She is the kind of athlete that coaches want to have on their team. Olivia is coachable and takes constructive criticism well. She is a natural leader but doesn't need to be the center of attention. I look forward to hearing about her future endeavors and have no doubt that Olivia will succeed in the paths that she chooses. She will be an asset to your college/university/team, and I hope that you will give her the opportunity to represent you.
